With a firm focus on the discerning tastes of the Colombo and export markets, the Akeena Collection brings together the very best in silver jewellery which is perfectly complemented by an array of eye-catching precious and semi-precious Ceylon gemstones.

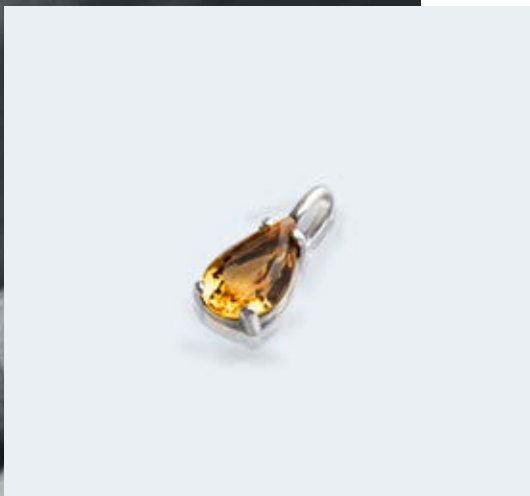

Create moments that linger in one's memory with a product that will certainly add to the allure of the wearer.

A heritage well engraved.

GMA De Silva Jewellers heritage can be traced to the southern seaside town of Ambalangoda. The company prides itself on creating exquisite handcrafted jewellery with painstaking attention to quality and detail. The signature pieces are made from 925 sterling silver, embellished with only the finest precious and semi precious gemstones which are used to create bespoke jewellery to exact customer specifications. For over a century, GMA De Silva Jewellers attention to detail has been unmatched as they continue to craft a timeless and exquisite collection, satisfying the needs of both local and international clients alike.
